Bloons TD 6 - action for iOS, created in the genre of tower defense. In this game you will help the monkeys to blow up the colored balls that will appear on the horizon. Arrange the monkeys in various places and shoot the balls, making it so they disappear faster than to get to the abyss. Upgrade and improve your character making it more powerful that will allow you to destroy more balls. Develop your strategy in battle and unlock new levels and new characters. Bloons TD 6 involves placing towers in specific places to prevent the Bloons from breaking through your defenses. This will require strategy if you want to complete the higher levels of the game. The towers you place are the most important part of any level, and through utilizing the correct ones, you'll be able to win every level you begin. Each tower you have positioned can be upgraded in one of three ways, providing versatile tactics. The game will present a challenge and a grind once you decide to complete it. To unlock all you're unlockables, you'll need to survive through many boring waves of clever tower placement and upgrades. Aside from the three upgrade paths each tower possesses, there are over 100 meta-upgrades available. These can buff the individual monkey towers or the money tower groups.
